

The Power of Red....Red Dragon!

In the mythology of various Asian countries dragons represent celestial and terrestrial wisdom and strength. They reside in water and bring life, health and wealth. The symbol of power and strength is represented by the Red Dragon.

Astaxanthin, a super marine micro algae, has been studied extensively and linked to a wide range of health benefits. Astaxanthin crosses the blood-brain barrier making it available to the eyes, and brain thereby alleviating oxidative stresses that contribute to ocular and neurodegenerative diseases, such as glaucoma, macular degeneration or Parkinson’s Disease.
