

**The Image of Full Health....White Dragon!**

In the mythology of various Asian countries dragons represent celestial and terrestrial wisdom and strength. They reside in water and bring life, health and wealth. The image of full health is symbolized by a White Dragon, representing a "higher" order of well being.

During the 14th and 15th century plague, it was the spice dealers who robbed the sick and deceased, while remaining in full health! Plants and spices are nature's oldest medicines. Help heal your body naturally with the whole essences of the plant kingdom found in White Dragon. It's a Spice Revival!
